Dear Scrip Coordinator,

Arbor Farms is now offering a simple and time-saving way for members and staff to support your organization. Shop at Arbor Farms and, when checking out, just tell our cashier your organization's name. We will then donate 3% of the purchase total. It's that simple!

Your grocery receipt will have your organization's name at the top, and we send a donation check when the balance reaches \$100. We will "close" each year on June 30th, and send a donation check for the remaining balance of the donations in July.

This new program is available for the 2013-14 school year. Should you have questions, please call Ann or Robert at 734 996-8111.

Please spread the word about how easy it is for your parents and staff to shop at Arbor Farms and earn rewards for you!

Thank you,

Arbor Farms Market
