PTO Events

Each family is asked to help/participate with at least 2 events during the school year. Keep in mind that not all events require your presence; there are many ways you can help by providing needed items or donating. Also, some of the events are held one time per year, others are ongoing commitments. There will be signups provided at the PTO Welcome Event at the beginning of the 2013/14 school year with more specific dates once the event calendar is firmly established. Please see the list below and check at least 2 areas in which you may be able to help.
