

Junior Conference Questionnaire

It's time for your Junior Conference...time devoted exclusively to you and your family. During your Junior conference, we will concentrate on your plans for the future. We will discuss options available to you and develop a plan or "road map" to help you accomplish the goals you've established.

Your Junior Conference will include:

- A review of credits and graduation requirements
- Student Information Form & College Questionnaires
- Course planning for the senior year
- Standardized test information (ACT & SAT)
- Junior Planning Packet

Before our meeting, please complete your questionnaire, and turn it into WIHI's Main Office. This information will assist us in preparing for your conference. At that time, we can schedule your conference at a mutually convenient time.
