

Dear parents,

We have had requests to simplify how to participate in the WIHI PTO fundraising efforts. We will be sending these weekly e-mails with information on how easy it is to participate.

This week: 5 Easy Steps to Kroger Community Rewards

If you already have an existing Kroger Rewards card you can register it at the web link and by following the steps below. If you don't already have a Kroger Rewards Card you can get one by visiting any Kroger store **OR** you can opt instead to create a "Digital Card" anytime by visiting the link and following the steps below.

Website: <http://www.KrogerCommunityRewards.com>

Registration and "Digital Card" Creation Steps:

- 1) If you already have an online account with Kroger you can log in at this point. If you do not you will need to create an account so just follow the steps for account creation.
 - 2) Once you are logged in to your Kroger online account you can register your existing Kroger Rewards card or create your Digital Card by following the blue link on the page "Digital Plus Card online today"
- Note: If you are registering your existing Kroger card be sure to include the smaller numbers to the left and right of the larger numbers on the back of your card as all of these combine to make your card ID.
- 3) Once logged in on the Account Summary page click the "EDIT" button at the bottom right under "Community Rewards". If you didn't already enter your mailing address on your online account you will need to do so at this point.
 - 4) In the "Find Your Organization" search box enter "91023" and WIHI should show up to be selected. Check the circle button to select our school and hit the "Save" button at the bottom.
 - 5) **IMPORTANT!** If you are creating a new Kroger online account you must click the activation link emailed to the email address you provided in order to activate your account and rewards to accumulate. Don't forget!

That's it, you're done! Please let us know if you have any issue or call Kroger Community Rewards assistance at [1-800-576-4377](tel:1-800-576-4377)

***** Please Note**** Kroger Community Rewards cards MUST be re-enrolled on an annual basis or rewards will stop! Your anniversary date is the date you registered your card and is shown on the page. The re-enrollment process is simply a matter of confirming that all of your information is correct.**

WIHI will receive a check from Kroger quarterly based on the total reward amount from all families. Funds are accumulated and calculated by the amount of groceries purchased. Redeeming your monthly reward points at a Kroger fuel station doesn't impact rewards WIHI receives, they are separate.

Thank you for your participation, it all adds up to make a big difference
