

**Senior Class Midyear Updates**  
**Class Meeting – Monday, January 12, 2015**

**Midyear Reports for Common App schools**

All Common App colleges will receive your counselor's Midyear Report in early February to help colleges make a decision on your application. **Mr. Boshoven will upload Midyear Reports to Common App by Friday, Feb. 6 – please tell your colleges this if they ask when your report will be submitted.** The midyear report includes:

- Your updated transcript, including first semester grades from senior year
- A listing of your class schedule for second semester
- A short statement from Mr. Boshoven to confirm that you're still "on track" academically

Please check your Common App account to see which colleges are listed as requiring your Midyear Report. Your account will show "Submitted" or "Downloaded" once Mr. Boshoven does the Midyear Report.

**New Transcripts for non-Common App schools**

If you received a letter, email or other notification from a non-Common App school asking for updated transcripts, you need to request the transcript on Parchment.com. Be sure to check the "next grading period" option when making your request. **The updated transcript will be submitted on Parchment.com by Friday, Feb. 6.** *You may choose to order transcripts for all non-Common App schools still considering your application.*

**How to See your Updated Transcript**

On or after Feb. 6, log in to your Parchment.com account -> Send a Transcript -> My Saved Transcripts -> Update Now. Clicking "Update Now" triggers the request to WIHI. Wait at least two school days for us to process the request, then log back in to see your new transcript.

**Scholarship Applications and Recommendations**

You are responsible for giving counselors and teacher two weeks notice (10 school days) for any scholarship-related needs. When you review scholarship applications, check the rules regarding transcripts and recommendation letters. Most scholarship organizations will accept a transcript from you (in which case, print your transcript from Parchment.com). For recommendations, check to see if your teacher or Mr. Boshoven can upload letters directly to the scholarship organization. Give the link or email address to your recommenders.

Some scholarship info is available outside Mr. Nemo's office and on [wihi.org/college-counseling](http://wihi.org/college-counseling).

**-OVER-**

### **Graduation Audit Reports**

The next Graduation Audit Report will be delivered by Friday, March 20. Now is a good time to review your report from November and make sure that you have fully accounted for any missing items on that report (for example, CAS hours, enrichments or fee payments). See Mr. Nemo if you need another copy of your November audit report.

### **CAS and Enrichments**

All work for CAS and Enrichments must be completed by the end of mid-winter break on Friday, February 20. This includes entering CAS hours into Edmodo, writing reflections, getting required signatures, etc. Contact the coordinator listed below with questions:

CAS – Mr. Ezekiel – [lezekiel@wihi.org](mailto:lezekiel@wihi.org)

Enrichments – Ms. Persells – [kpersells@wihi.org](mailto:kpersells@wihi.org)

### **Career Mentorship**

NOW is the time to make arrangements for your career mentorship experience (if you have not already). Many sites require screening and/or application submissions before you may begin the mentorship. Ms. Persells is working to develop resources and contacts for students who need help finding a site. Contact her with questions - [kpersells@wihi.org](mailto:kpersells@wihi.org)
