#### Old Business

- PTO Flower Sale had a net profit of \$252.20. Further flower sales for Fall Mums and Holiday Greens will be considered.
- WIHI Beautification Day – Approximately 15 people attended and a great deal was accomplished. The front of the school was weeded and planted as was the center courtyard. The third courtyard may have poison ivy or poison oak as one parent who worked in there has developed a reaction.
- Kroger Plus Card – Only 2 families are showing activity, so further encouragement and explanation may be needed. Clarification was made that anyone with an existing Kroger Plus card can register it and each time a purchase is made the school will get a percentage of the purchase. No additional effort is required. A table with information about enrollment would be beneficial for the Ice Cream Social.
- Student Council Picnic has moved to Wednesday June 13 – Most slots for donations have been filled – Great job everyone!! Grills will be provided by the Kronick family. However a pickup truck is needed for transportation from the Ann Arbor Racquet Club to the school and back. A metal trash can will also be necessary for emptying warm coals before returning the grills. Each grill requires 3 large bags of charcoal and 1 hour to warm up.

#### New Business

- Ice Cream Social – Saturday June 16, 1:00-3:00 – PTO members are requested to arrive at noon to help with setup. Kelly Cartwright, Bert Okma and Naomi Norman offered to donate 2 tubs each which should be a sufficient supply of ice cream. Kim Vnuk-Kronick offered to check with Washtenaw Dairy on the possibility of getting donated or discounted items. Julie Bernas will work with Kelly Cartwright to establish a sign up for existing families to bring items and man tasks. PTO will fill any gaps after signup is complete. A PTO table will be set up with Shopping Cards and more information about PTO.
