

**Hello WIHI Wolf families and supporters,**

To supplement the curriculum and environment at WIHI, the school offers many opportunities to augment the experience that are recommended but not required for students. Sometimes these opportunities involve an additional cost not covered by the school that for some students and families can be a burden which prevents them from participating.

The PTO has decided to identify these events/items and have created a program, "**Wolf Faeries**", to fund these costs so ALL students may have the opportunity for exposure and participation.

Our goal is to cover funding for the known amounts that each program requires along with a minimum of 10% of the potential cost for those events where we don't have a fixed cost and can only approximate what the total needs might be.

**Any student in need is encouraged to apply using this link:**

\*\* Need based funding decisions will be decided by the counseling department and **all information is private**. The PTO is only given information regarding total funds needed and all applicants identity remains anonymous to our group.

If you have any questions please contact either Mr. Brian Nemerovski [bnemerovski@wihi.org](mailto:bnemerovski@wihi.org) or Ms. Kathryn Hoover [Khoover@wihi.org](mailto:Khoover@wihi.org)
